

Create Zone

During the service we have been looking at the teachings of Paul about family life. This could be our immediate family, but it can also include the wider church family. This month's create zone is designed to get you thinking about who you see as your family. We are going to make a circle of people who are all joined together. These can then be decorated as people who are in what you consider to be your family.

Watch the video on the Christ Church YouTube channel for the instructions on how to make the joined circle of paper people.

This image below also shows you the steps you need to take so you end up with a circle of paper people.
