

CHRIST CHURCH SELLY PARK

Mission Zone Update - 4 July 2021

TANZANIA

At Christ Church we support the work of Amani Centre for Street Children. In 2020 they rescued 189 children from the streets, provided 282 with safe shelter and education and helped 158 reintegrate or reunify with their family.

- Give thanks for a new Chief Operations Officer who is making a difference already.
- Pray for the funding situation in 2022 as grants end.
- Pray for protection from a third covid wave and for the roll out of a vaccine.
- Pray for Amani's work with government and MPs to improve the situation for these children.

KENYA

We support the African Interior Church and African Navigators in Kenya. Pray for Chris and Enos two pastors we have partnered with for many years.. Pray for the leadership of the African Interior Church as it goes through a time of transition. Pray for elderly leaders health, and for young leaders to rise up.

Pray for wisdom as they explore sending a couple as mission workers. Pray for widows and orphans living amongst us that the church would care in even the smallest way.

CYPRUS

We support work that produces media for distribution in Middle East and North Africa. They have recently had to make changes with the setup of the organisation and have asked for prayer about the practicalities of these changes. Also pray for the right people to see the material being uploaded, even though the advertising budget is much lower than formerly, and to share it so that many of their friends will also see it

BOLIVIA

We support the work of the Anglican Church in Bolivia, and in particular on this occasion we pray for Walter Torro, pastor of the 'Jesús el Buen Pastor' church in Tarija. in the south of the country.

- Give thanks for healing Walter's family of the virus.
- Pray for financial provision for the church
- Pray for families and homes struck by the virus and affected by it's emotional and financial impact
- Pray for all members of the diocese to continue to work towards their calling and mission
- Pray for motivation for the children to keep learning through lockdown and virtual classes.

**THE GREATEST THING WE CAN DO
IS PRAY**
