

# Water Prayers

## Instructions

**Slowly pour the water into the glass.**

**As you pour,**  
savour the refreshment that drinking cold water brings on a hot day.

**As you pour,**  
ask God to pour out his Spirit – on you, on this church, on our neighbourhoods and networks – bringing refreshment and life.

**As you pour,**  
pray for those who don't have access to clean water, places in the world affected by drought and famine.

**As you pour,**  
give thanks that God's generosity and the gift of his Spirit never runs dry.

**Now please pour the water back into the jug for someone else to use.**

*I will pour water on the thirsty land, and streams on the dry ground;  
I will pour out my Spirit on your offspring, and my blessing on your descendants.*

*Isaiah 44.3*
